Plants should be angled facing downwards when mounted, to allow water to drain out of the centre or crown of the plant, or gently shaken after watering to dislodge any water droplets; Temperature . Plants do best if the temperature does not drop below 12°C (54°F) and can tolerate a maximum of 30°C (86°F) if relative humidity is high. Pruning

Air plants / RHS Gardening
Air plants love warm weather so it's the other end of thermometer you need to watch. Protect your plants from anything colder than 45 degrees; they will die at those temperatures. If you live in Zone 9 or warmer, you can grow an air plant outdoors all year if you keep it dry during the winter.

How to Grow and Care for Air Plants | Better Homes & Gardens
While some air plant care tips will apply to the majority of Tillandsia, it's important to consider the air plant itself. In general, silver-leaved plants and those with a higher concentration of trichomes will do better with more light and a bit less water, whereas the darker green plants will want more water and could be more susceptible to sun damage.

With a chopstick sketch your design plan on the sand. Think walkway, stream, air plant area, rock flowers, borders, etc. Using my chopstick, I’ve mapped out my basic design plan and added the largest rock, along with the rock flower centers. Begin sorting rocks and filling in your design.

Modern Air Plant Gardens | Easy to Make & Look Great ...
Once a week, submerge air plants in water and let them sit there for hours. Use rainwater or bottled drinking water. Softened water is high in salts that will burn the air plants, and tap water has minerals that can clog the trichomes on air plant leaves and keep them from absorbing nutrients. Dry the air plants out. This is very important.

How to Grow and Care for Air Plants | HGTV
Air plants should be kept where they'll receive bright, indirect sunlight or under fluorescent home/office lighting. Periods of direct sunlight are just fine, but more than a few hours of hot sun will deplete the plants of their moisture.
