'Gunpowder Milkshake' — Netflix's all-female flick is colourful and fun, but weak on logic

We break down the connection between Netflix's Fear Street movie trilogy and the R.L. Stine books on which the adaptation is based.

My name is Harriet Manners, and I have always been a geek. The fourth book in the award-winning GEEK GIRL series. Harriet Manners knows many things. She knows that toilet roll was invented by the Chinese in 600 AD. She knows that a comet s tail always points away from the sun. And she knows that the average healthy heart beats 70 times per minute. Even when it s broken. But she knows nothing about making new friends at Sixth Form. Or why even her old friends seem to be avoiding her. And she knows even less about being a glittering supermodel success. Which she now is apparently. Has Harriet s time to shine like a star finally arrived, or is she about to crash and burn?

"My name is Harriet Manners, and I have always been a geek." The fourth book in the award-winning GEEK GIRL series.

"My name is Harriet Manners, and I am still a geek." MODEL MISFIT is the sequel to award-winning No. 1 UK debut GEEK GIRL.

My name is Harriet Manners and I'll be a geek forever... The FINAL book in the bestselling, award-winning GEEK GIRL series is here!

All I want for Christmas is... a new GEEK GIRL story!

"My name is Harriet Manners, and I am a geek." A brand new World Book Day story from the no. 1 bestselling and award-winning GEEK GIRL series!

When she is accidentally discovered by a modeling agent, fifteen-year-old Harriet jumps at the chance to transform herself from a geek to a fashion model.

"My name is Harriet Manners, and I'll always be a geek." It's the hilarious third book in the bestselling award-winning Geek Girl series! Now in paperback, Harriet Manners knows more facts than most. She knows that New York is the most populous city in the United States. She knows that its official motto is "Ever Upward". She knows that one in thirty-eight people living in the US lives there. But she knows nothing whatsoever about modelling in the Big Apple and how her family will cope with life stateside. Or "becoming a brand" as the models in New York say. And even more importantly, what to do when the big romantic gestures aren't coming your way from your boyfriend... Does geek girl go too far this time? The laugh out loud follow-up to award-winning debut Geek Girl and Model Misfit will have you in stitches!

My name is Harriet Manners, and I will always be a geek. The fifth book in the bestselling, award-winning GEEK GIRL series. Harriet Manners knows almost every fact there is. She knows duck-billed platypuses don't have stomachs. She knows that fourteen squirrels were once detained as spies. She knows only one flag in the world features a building. And for once, Harriet knows exactly how her life should go. She's got it ALL planned out. So when love is in the air, Harriet is determined to Make Things Happen! If only everyone else would stick to the script...Has GEEK GIRL overstepped the mark, and is following the rules going to break hearts all over again?

"My name is Harriet Manners, and I am a geek.? A brand new summer story from the no. 1 bestselling and award-winning GEEK GIRL series!
