Network
this provocative book
makes a compelling
case for a hidden “deep
state” that influences
and often opposes
official U.S. policies.

Download Free

Big Oil Their

Prominent political

analyst Peter Dale Scott

begins by tracing

America's increasing

militarization,

restrictions on

constitutional rights, and

income disparity since

World War II. With the

start of the Cold War, he

argues, the U.S.

government changed

immensely in both

function and scope,

Download Free

Big Oil Their

from protecting and
nurturing a relatively
isolated country to
assuming ever-greater
responsibility for
controlling world
politics in the name of
freedom and democracy.

This has resulted in both
secretive new
institutions and a slow
but radical change in the
American state itself.

He argues that central to

Download Free

Big Oil Their

this historic reversal
were seismic national
events, ranging from the
assassination of

President Kennedy to

9/11. Scott marshals
compelling evidence
that the deep state is

now partly

institutionalized in non-
accountable intelligence

agencies like the CIA

and NSA, but it also

extends its reach to

Download Free Big Oil Their

private corporations like

Booz Allen Hamilton
and SAIC, to which 70
percent of intelligence

budgets are outsourced.

Behind these public and
private institutions is the
influence of Wall Street

bankers and lawyers,

allied with international
oil companies beyond

the reach of domestic
law. Undoubtedly the

political consensus

Download Free Big Oil Their

about America's global role has evolved, but if we want to restore the country's traditional constitutional framework, it is important to see the role of particular cabals—such as the Project for the New American Century—and how they have repeatedly used the secret powers and

Download Free

Big Oil Their

network of Continuity

of Government (COG)

planning to implement

change. Yet the author

sees the deep state

polarized between an

establishment and a

counter-establishment in

a chaotic situation that

may actually prove

more hopeful for U.S.

democracy.

The author offers a dark,

Page 41/57

Download Free

Big Oil Their

serpentine, riveting tour
of the unimaginably
lucrative and corrupt oil-
and-gas industry. With
her trademark black
humor, Maddow
exposes the greed and
incompetence of Big Oil
and Gas.

Network

An in-depth look at the
US threat to "save"

Page 42/57

Download Free Big Oil Their

Venezuela Since 1999
when Hugo Chavez
became the elected
president of Venezuela,
the US has been
conniving to overthrow
his government and to
roll back the Bolivarian
Revolution which he
ushered in to Venezuela.
With the untimely death
of Hugo Chavez in
2013, and the election of
Nicolas Maduro that

Download Free Big Oil Their

Bankers, the US
redoubled its efforts to
overturn this revolution.

The US is now
threatening to intervene
militarily to bring about
the regime change it has
wanted for twenty years.

While we have been
told that the US's
efforts to overthrow

Chavez and Maduro are
motivated by altruistic
goals of advancing the

Download Free

Big Oil Their

interests of democracy

and human rights in

Venezuela, is this true?

The Plot to Overthrow

Venezuela answers this

question with a

resounding “no,”

demonstrating that: The

US’s interests in

Venezuela have always

centered upon one and

only one thing:

Venezuela’s vast oil

reserves; The US has

Download Free Big Oil Their

happily supported one repressive regime after another in Venezuela to protect its oil interests; Chavez and Maduro are not the “tyrants” we have been led to believe they are, but in fact have done much to advance the interests of democracy and economic equality in Venezuela; What the US and the Venezuelan

Download Free Big Oil Their

opposition resent most
is the fact that Chavez
and Maduro have
governed in the interest
of Venezuela's vast
numbers of poor and
oppressed racial groups;
While the US claims
that it is has the
humanitarian interests
of the Venezuelan
people at heart, the fact
is that the US has been
waging a one-sided

Download Free

Big Oil Their

economic war against

Venezuela which has

greatly undermined the

health and living

conditions of

Venezuelans; The

opposition forces the US

is attempting to put into

power represent

Venezuela's oligarchy

who want to place

Venezuela's oil

revenues back in the

hands of Venezuela's

Download Free Big Oil Their

economic elite as well as US oil companies. The battle for Venezuela which is now being waged will determine the fate of all of Latin America for many years to come. The Plot to Overthrow Venezuela lets readers know what is at stake in this struggle and urges readers to reconsider which side they are on.

The history of oilmen
and the energy bankers
who loan them capital is
inextricably bound
together. Energy

bankers have reacted,
adjusted and evolved
alongside the same
business cycles,
regulatory changes and
commodity-price

Download Free

Big Oil Their

gyrations that have

challenged the

generations of oilmen

they banked. In many

respects, however, it is

remarkable how little

has changed during the

past 100 years in the

fundamentals of lending

against collateral that

has been hidden

underground for

millions of years. Nor

has there been much

Download Free

Big Oil Their

Bankers In The

change in the relationship between the early wildcatters willing to risk their--and their

banker's--last dime and

the bankers who

cautiously evaluate the oilmen and their

collateral. Along with

manpower, rigs and drill

pipe, capital has always

been a critical tool in the

exploration for and

development of oil and

Download Free Big Oil Their

gas. From the earliest days of the industry, producers have required more start-up capital for acquisition, drilling and development of oil fields than can be generated out of cash flow from existing production. The accomplishments of oil companies were and are as dependent upon access to capital as

Download Free
Big Oil Their
access to the
hydrocarbons they seek
to exploit. This book
tells the story of the
enduring relationship of
oil and gas producers
and oil and gas bankers
in the context of the
evolution of the two
industries.

"[Mueller reveals] the

Page 54/57

Download Free Big Oil Their

brazen fraud in the olive
oil industry and
[teaches] readers how to
sniff out the good stuff."

—Dwight Garner, New
York Times For

millennia, fresh olive oil
has been one of life's
necessities—not just as
food but also as

medicine, a beauty aid,
and a vital element of
religious rituals. But this
symbol of purity has

Download Free Big Oil Their

Bankers deeply corrupt.

A superbly crafted
combination of cultural
history and food

manifesto, Extra

Virginity takes us on a
journey through the
world of olive oil,

opening our eyes to

olive oil's rich past as
well as to the fierce

contemporary struggle

between oil fraudsters of
the globalized food

Download Free
Big Oil Their
industry and artisan
producers whose oil
truly deserves the name
"extra virgin."
