Winner of the 2002 Academy Award for Best Animated feature, *Spirited Away* tells the story of 10-year-old Chihiro, a girl in the midst of a move to the suburbs who wanders into a strange town and finds a world of spirits ruled over by the mysterious Yubaba. Ten-year-old Chihiro and her family are on their way to their new home. Dad takes a wrong turn, though, and they become lost in a forest. Eventually they find their way to a strange abandoned amusement park. Chihiro wanders off. As night falls, Chihiro finds out she's in a world of ghosts, demons, and strange gods. A mysterious boy, Haku, tells her that to survive Chihiro must find work. She must go down to the boiler room and seek out an old man named Kamaji...

Haku takes Sen to visit her parents, who have turned into pigs. Sen promises to rescue them and get them all out of this strange world one day. Back at work, Sen is forced to do the grossest jobs, like cleaning out the giant tub. And then the dreaded Stink God pays a visit to the bathhouse, and Sen is sent to serve his odorous presence! Through pluck and determination, though, Sen makes it through, and finds a valuable prize in the process. Meanwhile, the masked man, the mysterious No-Face monster is lurking about. Who is he...and what does he want?

While exploring a strange place near her new home, ten-year-old Chihiro is horrified when her mother and father turn into pigs and, hoping to save them, soon finds herself working in a bath house for Japanese spirits.

Spirited Away tells the story of 10-year-old Chihiro, a girl in the midst of a move to the suburbs who wanders into a strange town and finds a world of spirits ruled over by the mysterious Yubaba. Into the boiler room! Chihiro encounters the old arachnoid Kamaji and his bizarre army of soot balls who keep the hot water running. Chihiro tries to help but she's not really suited for this kind of work. When Lin the slug girl comes to deliver lunch, though, Kamaji tells her to take Chihiro with her. Lin introduces Chihiro to the bizarre bath house wonderland where she works, and to her boss, the giant-size matriarch Yubaba. After a demonstration of her powers, Yubaba renames Chihiro "Sen," and puts her to work. Sen goes through a gruelling first day of scrubbing floors and being made fun of by the other workers for being human, but she forges on. In the middle of the day, while everyone's asleep, she sneaks outside to meet Haku...

After the destruction of the world's ecosystem, a gentle princess named Nausicaa attempts to protect Earth's natural resources.

In the mid-1990s, filmmaker Hayao Miyazaki moved from success to success as his work found an audience outside of Japan. His animated films of the era, including Princess Mononoke, Howl ' s Moving Castle, and Ponyo, were internationally lauded, and Miyazaki won an Academy Award® in 2003 for his popular and critical hit Spirited Away. Follow Miyazaki as his vision matures, as cinema-lovers worldwide embrace his creations, and as critics such as Roger Ebert take up the cause of animation and Miyazaki ' s films.
