The UN Guiding Principles on Business and Human Rights are a set of guidelines for States and companies to prevent, address and remedy human rights abuses committed in business operations. UNGPs Guidance & Implementation See how companies and governments should implement the UNGPs Background & History of Guiding Principles

Business & Human Rights Resource Centre

All businesses in the UK – large or small – have a responsibility to respect human rights. The UN Guiding Principles on Business and Human Rights (UNGPs) call upon businesses to make a public commitment to respect human rights, carry out human rights due diligence, and provide a remedy when things go wrong. Human rights due diligence is the process through which a company understands when, where and how it could have impacts on human rights, and prioritises these impacts for action.

Human rights and business | Equality and Human Rights ...

The OHCHR has a mandate to lead the business and human rights agenda within the United Nations system, and, in collaboration with the Working Group on Business and Human Rights, to develop guidance and training relating to the dissemination and implementation of the UN Guiding Principles on Business and Human Rights (*A/HRC/RES/21/5*). This means providing advice, tools and guidance; supporting capacity building on Business and Human Rights to all stakeholders at the national level, including ...

About Business and Human Rights This book analyses the accountability of European home States for their failure to secure the human rights of victims from host States against transnational enterprises.

Business and Human Rights: The Obligations of the European ...

Business and human rights issues are not new, but may, in the past, have been framed differently (i.e. as health and safety or labour compliance issues). In-house lawyers are usually the first port of call for advice relating to business practices and principles, including global soft law standards, such as the United Nations Guiding Principles on Business and Human Rights (UNGPs).

IBA - IBA Business and Human Rights

Best-in-class companies are already preparing for the incoming tide of mandatory human rights due diligence legislation, including the Proposed Law. The catalyst for change. In 2016, the German government approved its NAP in line with the United Nations Guiding Principles on Business and Human Rights ("UNGPs"). Under the NAP, businesses were encouraged to voluntarily disclose information around their human rights supply chain risks, and to take voluntary action to address any adverse impacts.

Business and Human Rights: Mandatory Human Rights Due ...

Progress on business and human rights and UNDP's efforts This only accentuates the need to hasten the implementation of the UN Guiding Principles on Business and Human Rights, which were recognised by the 2030 Agenda as one of its means of implementation. Indeed, some progress has been made on this front.
