Despite its infancy, some authors are already suggesting that the writing may be on the wall for supply chain collaboration. It has been reported that supply chain collaboration has proved difficult to implement; there has been an over-reliance on technology in trying to implement it; a failure to understand when and with whom to collaborate; and fundamentally a lack of trust between trading ...

Capital structure has attracted intense debate and scholarly attention in the financial management arena over the past four decades. However, in the context of sub-Saharan Africa capital structure has received a scant attention. This paper attempts to rectify this position by considering the firm specific factors influencing the capital structure of international joint venture formation ...
