will be provided. If you don't know the first thing about day trading, just relax. So long as you read and understand the discussions inside, and maybe be willing to research additional facts about the topic on your own, too, you're likely to find fortune in your hands in less than a month.

Day Trading Mastery: Complete Beginners Guide On How To ...

Day trading is the act of buying and selling a financial instrument within a single trading day.

Whenever you open a trade with the intention to take advantage of small intraday price fluctuations, and close that trade within the same trading day, you're engaged in day trading.
