Design Guidelines for Ablution Spaces in Mosques and Islamic Praying Facilities, Sharjah: American University of Sharjah. Description. This handbook intends to provide background information for the informed design of ablution spaces, including the placement of ablution areas vis-a-vis prayer spaces, square footage and proportions, materials and finishes, the design of units within ablution spaces, and signage.

Design Guidelines for Ablution Spaces in Mosques and ...

You will not have any comprehension of what Wudu or be able to design a proper Ablution space. I would not recommend this as a design guide or as a place to go for design criteria for a mosque. If this book were half or a third of the price, then I might recommend it for someone as a secondary research source.
