Generally

Throughout the
Dominion of Canada
For several years back
a reliable and simple
book of legal and
business reference,
adapted for the use
and information of
the general public,
has been much

Download Free Essential

needed in this The
country. Works of this
character, published
hitherto in Canada,
have been very
limited in their scope,
and not infrequently,
also, inaccurate and
misleading, the
object of the
compilers, in the
latter case, evidently
being to make money
by their books, and

Download Free Essential

not to add to their own reputation or to be of real benefit to the community. The work which we now submit to the public is of an entirely different character; and while it reaches almost every ordinary phase of the legal and business transactions of every-day life, it will be

Download Free Essential

found, on careful
examination, to be as
accurate as it is
comprehensive. The
Publishers feel
confident that no
equally useful work
of the same character
has ever before been
issued from the press
of this country, nor
one so well adapted
to educate the public
mind on the rights

Download Free Essential

and duties which appertain to every good citizen of the Dominion, and with which every one within its borders should be more or less acquainted. The time has come when a work of this popular character, freed from legal technicalities and couched in plain language, which the

Download Free Essential

most unlettered
could understand, is
a real necessity.
