EU labour law also benefits employers and society as a whole by providing a clear framework of rights and obligations in the workplace, protecting the health of the workforce, promoting sustainable economic growth. Moreover, EU labour law goes hand in hand with the single market. The free flow of goods, services, capital and workers needs to be accompanied by labour law rules, to make sure that countries and businesses compete fairly on the strength of their products - not by lowering ...

This book traces the evolution of European Union employment law and social policy from its essentially economic origins in the Treaty of Rome through to the emerging themes post-Amsterdam: co-ordination of national employment policies, modernisation of social laws and combating discrimination. Each stage of development of Community employment law and social policy is analysed in depth to give a sense of perspective to this fast changing field.
