The term  
'sociolinguistics'  
has been first used  
in 1939 by T.C.  
Hodson in relation  
to language study  
in India (Le Page  
1997: 19)

# Online Library Foundations In Sociolinguistics

the studies of relations between language and society has been formed not long time ago and since then it has produced many explanations to a vast number of questions concerning the matter.
