Genesis (novel) - Wikipedia

Genesis is a thoughtful, narrative-driven book about a futuristic nation isolated from the rest of the world after years of war and plague. It's fundamentally focused on artificial intelligence versus natural intelligence and a treatise on examining when computer intelligence actually becomes natural intelligence, *if ever*.

Bernard Beckett's Genesis is set some time later, when young student Anaximander is being interviewed by three examiners for a place in the exclusive academy, which accepts less than 1% of all...

Review: Genesis by Bernard Beckett | Books | The Guardian

Genesis is an interesting take on artificial intelligence and the philosophical issues it raises – as well as a few ethical questions. Beckett's choice of ancient-Greek tie-ins (Anaximander also has a ... mentor named Pericles) are a bit of a distraction, in part also because he does not seem fully committed to the connection, but on the whole the ideas and foundations are very good.

Genesis - Bernard Beckett - Complete Review

Though a slim 150 pages long, Genesis by New Zealand author Bernard Beckett packs a walloping philosophical punch. In this novel, the author asks readers to rethink their notions of consciousness...

It is a thought experiment on Plato's part, an opportunity to examine the relationships in political culture. In Genesis, Bernard Beckett repeats the experiment. He creates a society in the...

Genesis Analysis - eNotes.com

GENESIS by Bernard Beckett Book Quote: "I am not a machine. For what can a machine know of the smell of wet grass in the morning, or the sound of a crying baby? I am the feeling of the warm sun against my skin; I am the sensation of the cool wave breaking over me. I am the place I have never seen, yet imagine when my eyes are closed.

Genesis by Bernard Beckett (9781847247230/Hardback ...

Genesis, by Bernard Beckett. By Alex on February 27, 2011. Oh. My. A librarian friend shoved this into my hands when I mention enjoying science fiction, and to be honest I was a bit dubious – I'd never heard of Beckett, for a start. Anyway, I started reading it last night and... I couldn't put it down.
