Handbook of pediatric eye and systemic disease. Offering advice on how to treat pediatric patients, this book presents the essentials of ocular manifestations of systemic disorders and diseases in a pocket reference format. Introductory chapters on the specifics of pediatric ophthalmology in this book help newcomers to pediatric practice grasp the subtle differences in pediatric care.

Handbook of pediatric eye and systemic disease - Free ...

An important aspect of Handbook of Pediatric Eye and Systemic Disease is patient education. Children with systemic disease and congenital disorders often have debilitating conditions without many viable treatment options. In these cases even the seasoned physician can feel uncomfortable when speaking with the family.

Handbook of Pediatric Eye and Systemic Disease | SpringerLink

Based on Dr. Wright ' s classic major reference, Handbook of Pediatric Eye and Systemic Disease outlines the latest findings in diagnosing children's eye diseases and their treatment options. Distilling the essentials of ocular manifestations of systemic disorders and diseases into a portable, complete and authoritative pocket reference, this handbook offers a complete picture of how to best treat pediatric patients.
