In 2008, Mark Henderson created a very successful and impressive debut with his opulent coffee-table book Household Idols (Bruno Gmunder Verlag - available from Turnaround). In this new collection, he abstains from gaudiness to focus on a reduced, urbane ambiance. Unchanged, however, are the unbelievably good-looking models he chooses. Eye-catching effects and heavenly men compete for the attention of readers. In the end, the art of erotic photogprahy wins out.

This compilation combines the qualities of Mark Henderson's bestsellers in a manner never seen before: The sculptural grace of Luminosity with the briskness of Poolside and the gleaming light of Suburban Pleasures. Mark Henderson ushered the style of last century's physique photographers into the modern age. Poolside Pleasures is a cross section through the recent work of this outstanding artist.

With his previous works, Mark Henderson successfully transformed the man into an American Dream sex object. This fifth work celebrates this success and presents for our enjoyments hundreds of pages of men at home and by the pool, intimately and very private.

The bestselling Bites, Private Parts and Un\*/Cut, now available in one, sexy collection - plus a whole lot of exclusive, never-before-seen artwork.

Howard Roffmann, one of Bruno Gmunder's longest-running and most popular photographers, obviously can't live without photographing the Slovakian hunks of Bel Ami! Just like last year's Private Moments (Bruno Gmunder, 2009 - also available from Turnaround), The Blush of Youth captures them in their full glory. The intimate look of the pictures, the carefree performance of the models and the easy-going way in which they discover their sexuality turn this stunning photobook into a true celebration of youth and beauty.

The Boys Are Back! Reunited with Mike Smith in London, young American Gil Graham attempts to pursue his career in movies through script writing, while Mike's younger brother Will pursues Gil with all the guile and determination he possesses in abundance. Against the frantic backdrop of London's gay scene, Gil and Mike must confront the strains that ambition, work and outright jealousy place on their hard-won love. Will they be up to the challenge or will the frenzy of temptation thrown in their winding path tear them apart forever?

The name tells it all: "Color Explosion" is the newest photobook by Mark Henderson, featuring beautiful images of attractive male models with large swaths of bright, jewel-like colors. Every photograph is a mini-essay in color harmonies and has been carefully placed. A stunning adventure in the world of male erotic photography!

Peter. Pecker. Wiener. Dick. Schlong. Penis. Whatever we choose to call it, the penis is more than just a body part. This A-to-Z encyclopedia explores the cultural meanings, interpretations, and activities associated with the penis over the centuries and across cultures. Scholars, activists, researchers and clinicians delve into the penis in antiquity, in art, in religion, in politics, in media, in music, and in the cultural imagination. They examine the penis as a problem, a fetishized commodity, a weapon, an object of play. Penile dcor and fashions—from piercings to koteka—are treated with equal dignity. Explanation of common medical terms and not-so-common subcultural practices add to the broad scope of the book. Taken together, the Cultural Encyclopedia of the Penis offers refreshing, thoughtful, and wide-ranging insight into this malleable, meaningful body part.

Describes attractions, lodging, and dining for the visitor to Turkey, providing travel advice and resources.
