Display the Common Core Standards and "I Can" statements in your classroom everyday! The Complete Common Core State Standards Kit is the perfect all-inclusive resource for kindergarten teachers to help provide focus for instruction in the perfect time-saving format. This kit offers a pre-printed, easily organized system that not only provides an entire list of Common Core State Standards in both math and language arts for kindergarten, but also provides a clear method of displaying the standard and the coordinating "I Can" statements in the classroom. The kit comes with divider cards and 2-sided cards with "I Can" statements on one side and the corresponding standard on the other. Use with the Daily Standards Pocket Chart (158174) to clearly and efficiently display the cards in your classroom. Includes 97 2-sided cards with 11 dividers.

"To reach their potential, children need an engaging environment and a reason to learn. This book is aimed at helping teachers implement quality Common Core instruction around this principle." -Gretchen Owocki The quality of instruction is the most important factor in helping students meet the Common Core Standards. That's why Gretchen Owocki's Common Core Lesson Book empowers teachers with a comprehensive framework for implementation that enhances existing curriculum and extends it to meet Common Core goals. "Children," writes Gretchen (author of The RTI Daily Planning Book), "need teachers who believe in the power of meaningful reading as a context for instruction." She breaks the CCSS reading standards into manageable chunks that emphasize engaged, authentic reading and differentiated teaching. For each standard, she offers: a clear description of what it asks from students an instructional decision tree that connects assessment to planning instructional strategies that gradually release responsibility to students techniques for intensifying instruction when readers need more support. "In

First Grade Fundamentals will delight young learners with activities on consonants and vowels, vocabulary, addition and subtraction, fractions, phonics, reading comprehension, time and money, and more. Filled with colorful pages, easy-to-follow directions, and grade-appropriate activities, the Fundamentals series introduces and reinforces introductory concepts in math and language arts. The series covers all of the basics for success in PreK to Grade 2 and is perfect for year-round learning. The fun, challenging activities will supplement what children are learning in school, reinforcing their understanding of the subject matter and enhancing school performance. Each page features directions that teach and guide children through key areas of learning.

ArgoPrep is a recipient of the prestigious Mom's Choice Award. ArgoPrep also received the 2019 Seal of Approval from Homeschool.com for our award-winning workbooks. ArgoPrep was awarded the 2019 National Parenting Products Award and a Gold Medal Parent's Choice Award. This book is your comprehensive workbook for Kindergarten Common Core Math. By practicing and mastering this entire workbook, your child will become very familiar and comfortable with the state math exam and common core standards. This Kindergarten Common Core Math Daily Practice Workbook includes: 20 Weeks of Daily Math Practice Weekly Assessments State Aligned Common Core Curriculum End of Year Assessment This book has the following topics covered Week 1 - Counting to 100 by ones and tens Week 2 - Counting forward beginning from a given number within the known sequence Week 3 - Counting and writing numbers from 0 to 20 Week 4 - Practice counting objects and saying the number names Week 5 - Determining a number that is "one more" Week 6 - Understanding that each successive number name refers to a quantity that is one larger Week 7 - "How many" questions Week 8 - Greater than, less than, or equal to Week 9 - Comparing two numbers that are between 1 and 10 Week 10 - Representing addition and subtraction with objects and drawings Week 11 - Continuation with addition and subtraction using objects and drawings Week 12 - Using diagrams to solve addition and subtraction problems Week 13 - Finding the number that makes 10 when added to the given number Week 14 - Adding and subtracting within 5 Week 15 - Composing and decomposing numbers from 11 to 19 into ten ones and some further ones. Week 16 - Length vs. weight Week 17 - Classifying objects into given categories Week 18 - Identifying and describing various shapes Week 19 - Correctly name shapes regardless of their orientations or overall size Week 20 - Analyze and compare two- and three-dimensional shapes End of Year Assessment Each question is labeled with the specific common core standard so both parents and teachers can use this workbook for their student(s). This workbook takes the Common Core State Standards and divides them up among 20 weeks. By working on these problems on a daily basis, students will be able to (1) find any deficiencies in their understanding and/or practice of math and (2) have small successes each day that will build competence and confidence in their abilities.
