TS, TR, TX Workshop Manual - David Cornwallis

While my classic diesel engine was in bits after Peter Thompson of Marine Engine Services checked it's condition, I took him up on the opportunity to have a look at the insides. These are some pictures I took while I was there, the descriptions are what I've worked out using the manual - but I'm no expert. Mike. Lister SR3. A 3 cylinder air cooled diesel utility engine, popular for use in boats ...

Lister Engine Factory Data Sheets. These are scans of original factory technical data sheets, giving all the relevant details of each engine, including power curves, weights and dimensions, options on cooling etc., plus a brief technical description of the main engine components. These have been broken up into four pages for each sheet, as one big page would take too long to download
