Edition 4 by James ...

I found Jiambalvo's book clearly communicated all of the relevant accounting topics one would expect to learn in an MBA level managerial accounting course. The accounting examples in the book are interesting, nicely explained, and the chapter progression does a good job of incrementally building on previous lessons.

Managerial Accounting: Jiambalvo, James: 9780471238232 ...

The fourth edition includes expanded Incremental Measurement and You Get What You Measure sections in each chapter. These hallmark features help them focus on real issues. New demo problems have been added as well to show how the concepts are applied.
