Ministerial Ethics provides both new and experienced pastors with tools for sharpening their personal and professional decision making skills. The authors seek to explain the unique moral role of the minister and the ethical responsibilities of the vocation and to provide 'a clear statement of the ethical obligations contemporary clergy should assume in their personal and professional lives.'

~~Ministerial Ethics: Moral Formation for Church Leaders~~

Overall, Trull and Creech offer an excellent addition to ministerial ethics through their emphasis on the importance of character in Christian ministry. The integrated morality emphasized within Ethics for Christian Ministry as well as the call for greater clarity in ministerial ethics couples well with the practical tools found in this work. Such contributions position this book as a sound resource to pastors and clergy alike despite the issues in connecting some sections together.

"Ministerial Ethics provides both new and experienced pastors with tools for sharpening their personal and professional decision-making skills. The authors seek to explain the unique moral role of the minister and the ethical responsibilities of the vocation and to provide "a clear statement of the ethical obligations contemporary clergy should assume in their personal and professional lives."

Provides both new and experienced pastors with tools for sharpening their personal and professional decision-making skills. Updated and expanded.

Ministerial Ethics provides both new and experienced pastors with tools for sharpening their personal and professional decision-making skills. The authors seek to explain the unique moral role of the minister and the ethical responsibilities of the vocation and to provide 'a clear statement of the ethical obligations contemporary clergy should assume in their personal and professional lives.' Trull and Carter deal with such areas as family life, confidentiality, truth-telling, political involvement, working with committees, and relating to other church staff members. First published in 1993, this edition has been thoroughly updated throughout and contains expanded sections on theological foundations, the role of character, confidentiality, and the timely topic of clergy sexual abuse. Appendices describing various denominational ministerial codes of ethics are included.

This one-of-a-kind resource in professional ethics helps today's Christian leaders maintain a high moral character and lifestyle and sharpen their personal and professional decision-making skills. Two experienced teachers and pastors address both current and perennial ethical issues and offer guidance for developing a personal code of ethics to maintain integrity in the work of ministry. The authors address the nature of ethical decision making as well as practical areas where integrity can be compromised, including issues raised by the use of smartphones and social media. Appendices include codes of ethics from various denominations.

A classic guide to ethics since 1928. Nolan Harmon studied the ethical codes of conduct of five major denominations and secured the opinions of eighty-six leading pastors. Harmon uses this wisdom to show ministers how to conduct themselves ethically in virtually every phase of ministry, including special occasion rituals.

Leading biblical scholar James Thompson explains that Paul offers a coherent moral vision based not only on the story of Christ but also on the norms of the law. Paul did not live with a sharp dichotomy of law and gospel and recognized the continuing importance of the law. --from publisher description

The authors believe the renewal of interest in ministerial ethics has been caused by the rapid changes in our society and the number of moral failures in the ministry in recent years. They address the unique moral role of ministers and provide new and established ministers with clear definitions of their moral obligations.

The practice of ministry requires pastors and Christian leaders to serve as moral theologians in their communities. Ministers must preach about morally challenging texts, teach about moral issues and conflicts, offer moral counsel, and serve as an example regarding the shape of faithful Christian life. Grounding pastoral ethics in spiritual formation and spiritual disciplines, this book provides tools for facing the day-to-day demands and seizing the opportunities of being a moral teacher. An essential text for practical ministry courses.

Shares case studies on some of the most sensitive issues pastors and church leaders may have to deal with in their churches--child abuse, AIDS, infidelity, homosexuality, and unexpected pregnancies.

This book offers an account of the moral foundations of pastoral ethics and the underlying interpersonal dynamics that make the practice of ministry powerful--and also morally dangerous, even for those with the best of intentions. Sondra Wheeler examines the personal disciplines and spiritual practices that help sustain safe ministry, including the essential practices of prayer and spiritual accountability. She equips ministers to abide by ethical standards when they come under pressure and offers practical strategies for navigating challenges. The author also stresses personal vulnerability and "unselfish self-care."

After examining what Scripture teaches about the goal and motive of the Christian life, the author addresses moral dilemmas, human-life issues, sexuality, economic justice, and truthfulness.
