frequently face during
their clinical placement.

Common diseases and
disorders are presented
in a practical format □
from cause, signs and
symptoms through to
diagnosis, treatment,
complications and
nursing considerations.

The first local edition of
the Clinical Companion
was regarded as an
indispensable quick-

Download Free Nurses 3 Minute

reference guide, and this new release will prove even more valuable; providing practical suggestions and helpful tips to assist with nursing care and learning outcomes, along with the useful new content. Each of the book's 14 chapters has been fully revised to include the most relevant and up-to-date

Download Free Nurses 3 Minute Clinical Reference information.

Appendices have also been enhanced, with new features including updated Life Support flow charts aligning with the 2010 Australian Resuscitation Council guidelines.

Comprehensive yet succinct, the book's convenient format makes it easy for nurses to carry; eliminating the

Download Free Nurses 3 Minute

need to lug around a hefty hardback on clinical placement.

Clinical Companion
Medical-Surgical

Nursing is an essential reference for student nurses, and continues the ongoing success of the US editions. The book is also a must-have guide for graduates, as well as registered nurses re-entering acute care

tests or pharmacology
are required. □ New
chapter on mental health
considerations □ New
hint boxes on the
assessment and
management of the
deteriorating patient
included throughout □
Revised and updated
nutrition section □
Revised and updated
renal chapter, in
particular diabetes and

Download Free Nurses 3 Minute

obesity □ Revised and updated wound care section □ Chapter 2: includes ISBAR in the documentation process □ Appendix 1 Life support charts included in the front and back of the book as a ready reference.

This easy-to-read outline review follows the unique two-column

Download Free Nurses 3 Minute

Straight A's format that lets students choose how they study for NCLEX® and course exams. The interior column outlines key facts for in-depth review; the exterior column lists only the most crucial points for quickest review. Other features include NCLEX®-style questions at the beginning and end of

Download Free Nurses 3 Minute

each chapter; lists of top items to study before a test; Time-Out for Teaching patient-teaching points; Go with the Flow algorithms; and critical information highlighted in a second color. A bound-in CD-ROM contains hundreds of NCLEX®-style questions—including alternate-item format questions—with answers

Download Free Nurses 3 Minute Clinical

and rationales.

Reference

This resource covers more than 300 basic and advanced nursing procedures with equipment lists, essential steps, special considerations, patient teaching points, and documentation guidelines in a quick-scanning format.

Procedures are

Download Free Nurses 3 Minute

organized

alphabetically, and each is presented on a two-page spread with consistent headings, including description, contraindications, equipment list, preparation, key steps, special considerations, complications, patient teaching, and documentation.

consult is alphabetically
organized. Each sign
and symptom is

Download Free Nurses 3 Minute

presented on a two-page spread with consistent headings, including description, incidence, history, assessment guidelines, causes, associated findings, and emergency interventions.

Nurse's 5-Minute
Clinical Consult:
Treatments provides
instant access to

Download Free Nurses 3 Minute

information on more than 200 medications, surgeries, and other therapies, including key procedural steps and nursing interventions.

The quick-glance design enables nurses to review and master any topic in 5 minutes or less. Each treatment is presented on a page or two-page spread. Recurring headings include

Download Free Nurses 3 Minute

indications, procedure, complications, nursing diagnoses and patient outcomes, pre-treatment care, post-treatment care, and patient teaching. Icons highlight information that is critical for patient safety and age-related concerns. Illustrated, reproducible patient teaching guides are included for many

Download Free Nurses 3 Minute

treatments. Scores of illustrations, photos, and quick-scan tables and charts complement the text.

The only resource designed specifically for Clinical Nurse Specialists, the Second Edition of this best-selling text addresses the specific, practical, day-to-day

Download Free Nurses 3 Minute

responsibilities and challenges of the CNS role. Concrete, user-friendly strategies and exemplars are drawn from real practice and offer suggestions as well as considerations for CNS practice.
