The Panchatantra is a collection of folktales and fables that were believed to have been originally written in Sanskrit by Vishnu Sharma more than 2500 years ago. This collection of stories features animal characters which are stereotyped to associate certain qualities with them. The origins of the Panchatantra lie in a tale of its own, when a King approached a learned pandit to ask him to teach the important lessons of life to his ignorant and unwise sons. This learned scholar knew that the royal princes could not understand complex principles in an ordinary way. So, he devised a method wherein he would impart important knowledge in the form of simple and easy-to-understand folktales.

First recorded 1500 years ago, but taking its origins from a far earlier oral tradition, the Panchatantra is ascribed by legend to the celebrated, half-mythical teacher Visnu Sarma. Asked by a great king to awaken the dulled intelligence of his three idle sons, the aging Sarma is said to have composed the great work as a series of entertaining and edifying fables narrated by a wide range of humans and animals, and together intended to provide the young princes with vital guidance for life. Since first leaving India before AD 570, the Panchatantra has been widely

Through a framework of traditional tales, fantastic creatures struggle with issues of marginalization, opening discussion for parents and children in an accessible form. The Tales Of Dwipa is a collection of short stories adapted from the Panchatantra, a collection of simple, engaging, and interrelated animal tales penned by Pandit Vishnu Sharma in the hopes of awakening the dim intelligence of a powerful Indian king's idle sons. The ancient stories of the Panchatantra still find meaning in today's world despite originating in India before 300 BCE. These stories are set in a Canadian context with topical themes, bringing together two distinct cultures--Indian and Canadian--for the most impressionable minds of our society.
