IXL Skill Alignment € 3rd grade alignment for Reading Street Use IXL's interactive skill plan to get up-to-date skill alignments, assign skills

Build the reader in your child through motivating and engaging literature, scientifically research-based instruction and a wealth of reliable instructional tools. The Scott Foresman Reading Street program prioritizes skill instruction at each grade level, so the focus is on the right reading skill, at the right time, for every child.

"Reading Street is designed to help teachers build readers through motivating and engaging literature, scientifically research-based instruction, and a wealth of reliable teaching tools. The reading program takes the guesswork out of differentiating instruction with a strong emphasis on ongoing progress-monitoring and an explicit plan to help with managing small groups of students" -- Publisher's description.

The final installment of the Reading Street curriculum series, Reading Street: Grade 6, comes complete with everything you'll need to create English and Language Arts lessons for your child. This system includes reading selections designed to help your child hone his or her skills, a Teacher Resource DVD to make your task of developing lessons easier, and a packet of curriculum materials. Reading Street: Grade 6 is a comprehensive system designed to enhance your child's skills in reading, writing and language. Each assignment in Reading Street helps your child progress toward that goal. While such a dynamic curriculum might sound challenging for you as a parent and educator to use, you can rest assured that the materials will guide you through 12 weeks of English and Language Arts lesson planning with ease. If you prefer a structured homeschooling program format, Reading Street (in all of its Grade level structures) is the right fit for you and your child. Grade 6 comes with two volumes of six units. By the time you complete Grade 6, your child will be able to: Read through a variety of complex literature, including biographies and fictional stories. Discover additional reading material based on personal taste. Relate individual chapters or concepts to the book as a whole. Write complete stories using proper grammar, punctuation and word choice. Compose a written argument using appropriate sources. Examine and edit his or her own writing, as well as the writing of others. Present an oral presentation based on the lessons. Unlike other curricula, Reading Street imparts a love of reading upon your child. From Grade 1 through Grade 6, your child will learn not only the skills he or she needs to advance his or her education, but become a lifelong student and reader. For more information about the specific materials included in the Reading Street: Grade 6 curriculum for homeschooling, visit the Features and Benefits page.

The fun and excitement of English and Language Arts learning continues in Grade 2 of Reading Street. This comprehensive and dynamic curriculum for homeschooling is geared toward young children who have some foundational English and Language Arts knowledge and are ready to strengthen their skills. Comprised of engaging activities, challenging content and weekly quizzes, Reading Street: Grade 2 is the next step in your child's path toward becoming a lifelong learner and reader. As with all Reading Street products, the Grade 2 system is formatted to help students meet certain age-appropriate goals. After completing this English and Language Arts homeschool program, your child should be able to: Read and comprehend two-syllable words. Identify common prefixes (such as pre-, un-, or re-) and suffixes (such as -able, -ad and -er). Correct mistakes made when reading out loud. Read books with two or more chapters. Understand the structure of stories (i.e. beginning, middle and end). Start selecting reading materials based on his/her own interests. Identify the "who," "what," "when," "where," "why" and "how" of the text. While the goals of second Grade English and Language Arts are numerous, Reading Street will help you craft engrossing lessons. Your child will garner important English and Language Arts skills while completing a workbook, reading stories and poems, and taking assessments. Planning these lessons will be easier than ever, as all Reading Street

systems are broken down into weekly Big Ideas. All the work your child does on a given week is formulated around that single concept for an organized and challenging curriculum. With six easy-to-follow units, Reading Street: Grade 2 is the perfect tool for homeschooling parents. Your child will enjoy the reading selections and activities, and you'll love to see your student growing into a knowledgeable individual. We're confident that this product is the right one for you. For more information on the specific materials found in Grade 2 of Reading Street, check out the Features and Benefits page.

Scientifically research-based program supports state standards in literacy, science, mathematics, social studies, art and music to prepare children for Kindergarten. Teacher's Guides help build and assess children's cognitive skills, alphabet knowledge, and social-emotional development. Interactive charts with songs and activities inspire class discussion and build oral vocabulary. Big Books, Trade Books, and Little Books provide shared reading experiences and develop children's concepts of print.

Reading Street - Elementary Reading Comprehension Program Scott Foresman Reading Street (c) 2008 is an all-new reading instruction program for Grades PreK-6. Reading Street is designed to help teachers build readers through motivating and engaging literature, scientifically research-based instruction, and a wealth of reliable teaching tools. The reading program takes the guesswork out of differentiating instruction with a strong emphasis on ongoing progress-monitoring and an explicit plan to help with managing small groups of students. In addition, Reading Street prioritizes skill instruction at each grade level, so teachers can be assured they will focus on the right reading skill, at the right time, and for every student.

The fun and excitement of English and Language Arts learning continues in Grade 2 of Reading Street. Olivia always knew her younger sister would get into trouble. but she never realized the undercurrents of disaster would grow to a raging flood.... Olivia was always the sensible one. The responsible sister. She took after their father, a man as cold and driven as the Cape Cod wind, a man possessed by an inner need to be respected and successful. She would be the one to take over his million-dollar businesses. She would become the unwavering compass and resilient caretaker of the Logan family -- whether she wanted to or not. But Belinda belonged only to herself. Flighty, flirtatious, and possessed of a beauty that promised her a privileged life, Belinda was lavished with attention. Mother and Father, family friends, boys from school, they all adored Belinda. And as she matured into a young woman, her beauty became even more haunting. She vowed never to grow up, to remain forever an enchanting little girl to be worshiped and cared for. Then came that fateful night, when Olivia was awakened by the low whistle of the wind off the ocean...a whistle that became an unearthly wail coming from Belinda's bedroom. It was the tragic night that their father would forbid them to speak of ever again. The night they would never forget. The night that would send generations of Logans down an unavoidable path of lies, deceit, and heartbreak.
