Never Far Away is a short story and resource for the parent who has a child that doesn't like to separate from them when time for school or work. It has illustrative pictures and content for the parent and child to interact before they go about their day.

Rendezvous With A Habit is the first novel by Michael Harte De Hesus, and introduces Mickey Dunn, sports journalist from Chicago who has come to California in mid-life for a lifestyle change. Set on the Central Coast in the Five Cities area, it is a story of erotic love, mystery, suspense, and revenge revolving around the world of crystal meth addiction and the business of crank manufacture and sale. When Mick's girlfriend of a few months, Shana Deckhardt, is sent into coma due to an overdose on speed, Mick is arrested for trafficking and conspiracy to commit murder, though he is innocent. Physically fit, with both combat and competitive amateur wrestling experience, he is recruited by a regional task force to clear his name, avenge the assault on Shana's life, and break up one of the biggest meth rings ever. Along the way, he meets the beautiful ex-crank addict Marlene Magnuson, who proves invaluable to Mick, and the task force. Co-dependency, the search for self-identity, midlife crisis, and serving the Greater Good are all underlying themes as the protatgonist seeks revenge and balance in his love life. There is plenty of romance, action, and introspective soul searching as Mickey Dunn is at the center of a murder conspiracy to eradicate a young woman who has a Rendezvous With A Habit.
