Summary - (part 1) The Little Book About Business

"The Greatest Little Business Book" is the only current small business guide to include samples of all the following: a business plan, cashflow forecast, invoices, letterheads etc. It is also one of the very few guides that explain

# Where To Download The Little Book About Business

exactly how to price goods and services, and it demystifies tax and employment laws.

The Greatest Little Business Book: The Essential Guide to ...  
The Little Book of the Business Cycle.

Every economy in the world goes

# Where To Download The Little Book About Business

through a business cycle. And so does every single business. Yet mainstream economists rarely forecast recessions or booms because they don't spend enough time understanding the Business Cycle.
