surprising family
legacy, in which the
inheritance is a recipe.

Perdita Lee may appear
to be your average
British schoolgirl;
Harriet Lee may seem
just a working mother
trying to penetrate the
school social hierarchy;
but there are signs that
they might not be as
normal as they think

they are. For one thing, they share a gold-painted, seventh-floor walk-up apartment with some surprisingly verbal vegetation. And then there's the gingerbread they make. Londoners may find themselves able to take or leave it, but it's very popular in Druhástrana, the far-away (or, according to many sources, non-

existent) land of Harriet Lee's early youth. The world's truest lover of the Lee family gingerbread, however, is Harriet's charismatic childhood friend Gretel Kercheval — a figure who seems to have had a hand in everything (good or bad) that has happened to Harriet since they met. Decades later, when teenaged

Perdita sets out to find her mother's long-lost friend, it prompts a new telling of Harriet's story. As the book follows the Lees through encounters with jealousy, ambition, family grudges, work, wealth, and real estate, gingerbread seems to be the one thing that reliably holds a constant value. Endlessly surprising and
